Subject : Emirates & Europe Economic Forum

Thank you for your letter on August 10th, 2017 and the kind invitation extended to me to participate in the Emirates & Europe Economic Forum to be organized by Emirates & Europe Business Development Cluster, which is scheduled to be held on 24 October 2017 in InterContinental Warsaw Hotel.

I regret to inform you that I will not be able to participate in the said event due to prior commitments.

And given the importance of this Forum, I am pleased to inform you that Miss Ayesha Alkobaisi, Director, International Trade Organizations will participate in the Emirates & Europe Economic Forum.

Once again, thank you for your invitation and I look forward to our continued cooperation.

Kindly accept my sincerest regards,

Eng. Sultan bin Saeed AlMansoori.
Minister of Economy.

Warsaw, 10th August 2017

H.E. Eng. Sultan bin Saeed Al Mansouri
Minister of Economy
PO BOX 901 Abu Dhabi
United Arab Emirates

Your Excellency,

we have a pleasure of inviting Your Excellency to participate in the second edition of **Emirates & Europe Economic Forum**. It will be held on 24 October 2017 at the InterContinental Warsaw Hotel. It will be an honor for us to have Your Excellency as a partner. We hope that Your Excellency will be able to attend the Forum.

The Forum is organised in order to intensify economic and business cooperation between both European and Emirati societies. The event is an answer to the current economic and trade relations between Poland and the UAE. It creates a great opportunity for building long-term cooperation and business relations between the partners. The Forum provides a well-tested formula and proper tools for trade and investments as well as promotion and development of innovations.

Our strategic partners are the Embassy of UAE in Poland, The National Centre for Research and Development, Polish Investment & Trade Agency and Ministry of Development.

This year's editions of the Forum will be entitled: „**Emirates & Europe Economic Forum – Innovation as a chance for economic development**”. The subject-matter will concern innovative technologies, start-ups, investments as well as smart solutions which have a positive impact on broadly understood possibilities for economy boosting.

The second edition is organised by **Emirates & Europe Business Development Cluster (EEBD)**, **European Green Technology Alliance (EGTA)** as well as **Investment Service Center (ISC)**.

Emirates & Europe Business Development Cluster (www.eebd.eu) is a unique business organisation, developing economic cooperation between Europe and the UAE. Among its members, apart from business representatives, there are also representatives from entities such as: local government authorities, universities, advisory institutions and companies, which contribute to development of its activities. The list of main goals that the cluster sets for itself, comprises of, among others: assistance in searching for trade partners or providing direct contact with companies from both Europe and the UAE (also with those with foreign equity), complex help in raising funds from EU programmes, maximisation of benefits related to expansion of business in the UAE and Europe as well as promotion and protection of the interests of member companies.

European Green Technology Alliance (www.egta.eu) is an international platform for technological and business cooperation, associating over 300 enterprises and institutions all over

Europe. EGTA focuses on transfer of innovative technologies between European countries and provides support through specialised business institutions as well as international network of partners.

Investment Service Center (www.investpl.eu) is an international business structure associating high-level experts. Their main objective is to finance investment projects and to look for projects of high business potential for the investors. We act globally, having our representatives involved in many countries around the world. All our investments create a great business potential thanks to effective management of both technological and financial risk. Additionally, the obtained grants increase effectiveness of implemented projects.

For more information about the event, please visit our website www.Forum.eebd.eu. Should Your Excellency have any questions, feel free to contact us at Forum@eebd.eu.

Best regards
